The sections are arranged in a fixed manner. There is **NO** provision for the candidate to select / go to a specific section as per their preference.

By default, the first question of each section will be selected. **On selection**, the background of the question number will change from **Grey** to **Red** colour. Start answering the questions.

The screenshot displays the test interface for a user named John Smith. At the top, there are navigation tabs for different subjects: English, Chemistry MCQ, Physics MCQ, Mathematics MCQ, Chemistry NAT, Physics NAT, and Mathematics NAT. The 'English' tab is selected. Below the tabs, the 'Sections' bar shows 'English' is active. The main area displays 'Question No. 1' with the text: 'Being a part of the institute _____ the past three years has certainly been _____ unique opportunity.' Below the text are four radio button options: 'since; an', 'since; a', 'for; an', and 'for; a'. On the right side, there is a statistics panel for the 'English' section showing: Answered (0), Not Answered (1), Not Visited (2), and Marked for Review (0). Below this is a 'Choose a Question' section with buttons for questions 1, 2, and 3. Question 1 is highlighted in red. At the bottom, there are buttons for 'Mark for Review & Next', 'Clear Response', 'Save & Next', and 'Submit'.

For BTech / BPharm / PharmD / BSc Biotechnology

- There are 2 types of Questions: Multiple Choice Questions (MCQ) and Numerical Answer type (NAT).
- There will be 7 Sections.
- By default, the first section will be selected.
- Once you start, you must finish the current section before you can move to the immediate next section.
- Having started a section if you move out of any section before completing the section, you will **NOT** be able to return to the section.

For other programs

- There will be Single / Multiple sections.
- By default, the first section will be selected.
- Once you start, you must finish the current section before you can move to the immediate next section.
- Having started a section if you move out of any section before completing the section, you will **NOT** be able to return to the section.

In case of Multiple-Choice Question (MCQ), Read the question carefully and select the right answer by selecting **radio button** next to the answer option. To save your answer, you **MUST** click on the **Save & Next** button.

To mark the question for review, click on the **Mark for Review & Next** button.

After going through the question, in case you think that you can answer the question at a later stage click on "**Mark for Review & Next**". On clicking, the question number will be highlighted in **Purple** colour. All such unanswered questions marked for review will be taken as **UNANSWERED**. Please note that while taking the test, you can visit the **Section ONLY ONCE**. You are NOT allowed to revisit the section (Answered / Unanswered) under any circumstances.

After going through the question, if you answer the question and think that it is to be reviewed at a later stage click on " **Mark for Review & Next** ". On clicking, the question number will be highlighted in **Purple** colour with **Green** coloured icon. All such answered questions marked for review will be taken as **ANSWERED**. Please note that while taking the test, you can visit the **Section ONLY ONCE**. You are NOT allowed to revisit the section (Answered / Unanswered) under any circumstances.
